

# COAST

WASTE MANAGEMENT ASSOCIATION

"Networking Solutions for Waste and the Environment"

## Networking – Luncheon – AGM

Date: **April 9<sup>th</sup>, 2010**

Time: **10:30 AM – 3.00 PM**

Location: [Cedar Hill Golf Club](#), 1400 Derby Road, Victoria, BC

Members staying for the AGM will be eligible to win a two night stay at Tigh-Na-Mara Resort!

### Colin McKean

**Industry Stewardship for the Automotive Recycling Industry.**

Colin has been working in the field of environmental management for 33 years and has worked with a number of industry sectors in the development and implementation of industry stewardship and pollution prevention programs. Colin will familiarize us with the Environmental Certification Program for the automotive recycling industry developed by the Automotive Recyclers Environmental Association.

### Rob Fleming

**Increasing waste diversion: What can the province do to help local government and industry build on their achievements?**

Rob served two terms as a Victoria City Councilor before his election to the legislature in 2005 as the MLA for Victoria-Hillside, and re-elected in 2009 as the MLA for the re-configured constituency of Victoria-Swan Lake. Rob serves as opposition critic for Environment and will share with us his ideas on what the province can do to help local government and industry build on their achievements.

### Maura Walker

**CWMA Vancouver Island Resource Database initiative**

Maura Walker is the principal of Maura Walker and Associates Environmental Consultants and has been involved in the solid waste management industry for over twenty years. Maura has been an active member of CWMA since its inception and will present information on the CWMA's Vancouver Island Resource Database which is under development.

Their presentations will include a Q&A session and will be followed by lunch and networking. The AGM will follow lunch.

**Reserve immediately by emailing:**

[info@cwma.bc.ca](mailto:info@cwma.bc.ca)

**Networking – Luncheon - AGM**

**\$40.00 CWMA members**

**\$45.00 non-members**

(Prices include lunch, GST and gratuity)

Payment must be received in advance. Please make cheques payable to: **CWMA** and mail to the address below.

Please read if you haven't seen our emails for a while.

Are you in the solid waste or recycling industry? Part of our mandate is to share information with CWMA members and others in the industry -- around 1200 business owners and professionals that we've been in touch with for years. And we've just added some old friends back to our list. We've taken the utmost care to get your address right, and to remove everybody who asked us to. We know you're busy, and we don't email often. However:

If you prefer that we don't send you these emails, or if they should be directed to someone else, please just click [here](#) and let us know.  
We will immediately respect your wishes.

---

**Coast Waste Management Association is a membership association serving the solid waste industry in coastal British Columbia.**

We are made up of approximately 90 member organisations, drawing from the private sector, local and regional governments and non-profit organizations on Vancouver Island, the Gulf Islands and the Sunshine Coast.

CWMA members are involved in such diverse activities as recycling, composting, deconstruction, extended product stewardship, waste disposal, environmental education and consulting, and managing solid waste facilities.

CWMA offers a forum to assist our diverse membership in meeting the challenges and opportunities of waste management in our region. We do this by facilitating communication and offering networking and educational opportunities for members. We provide an annual conference, ongoing technical sessions and workshops, a quarterly newsletter and e-bulletin updates.

CWMA also supports its members regarding important issues facing the industry. We serve as a local industry liaison, act as an industry lobby group, and raise public awareness about key waste-related issues.

Will Burrows,  
Executive Director
